# A 5-star rated BLDC Motor fan that changed the way India thinks about fans

State-of-the-art innovation that solves real consumer problems is the key growth driver for Atomberg. That's why, within a few years of its inception, Atomberg has emerged as the leader in BLDC motor, energy efficient fans. Every Atomberg fan is 5 star rated as per BEE norms and is highly energy efficient. Customers can save on power bills while also enjoying the benefits of comfort and convenience.

Atomberg fans. High on savings. High on efficiency. High on performance.

# How did it all start? And how far we have travelled!

# A state-of-the-art manufacturing unit with the biggest production capacity

 Spread over 200,000 Sq. Ft.

 Highest rated fans across e-commerce portals

## Fans that listen to you

Presenting Atomberg Smart 2.0 Fans

### In-app Voice Command

Control your fan from the Atomberg Home app. It is precise, clear and requires a concise command structure.

### Performance Analytics

See lifetime metrics of the app, run time, power consumption, and amount saved on electricity and CO2, among others.

### Guest Mode

Visitors don't need to sign up to use the Atomberg Home app. The in-app voice control is also compatible with this mode.

### Compatible with Alexa and Google Home

Link your Atomberg Home app with Alexa and Google Home in just two clicks! And yes, even Hindi commands are available.

### Bluetooth Control

No WiFi? No worries. The fan and the app converse silently, seamlessly switching between WiFi and Bluetooth when the need arises.
