WIRING SOLUTIONS FOR INNOVATIVE INTERIORS.

MODI'S was started in 1982 under the able and visionary leadership of Shri. Dinesh V. Modi. The unique design of PVC casing and capping was granted a patent in 1984 and the product lives on.

You can spot MODI'S at most prominent places like airports, railway stations, five-star hotels, stadiums, temples and halls of worship, call centres, IT establishments and enterprises, and other governmental and PWD establishments.

MODI'S has been growing from strength to strength. What started as a modest industrial enterprise now enjoys a presence across the country, with a bouquet of offerings.

MODI'S has grown by the sheer merit of its quality. For over three decades now, MODI'S has become synonymous with casing 'n' capping, without the backing of any large-scale marketing or branding activity. This speaks volumes about the consistency of quality in our products and the continued trust of our customers. Every other product of MODI'S bouquet of offerings adhere to the same non-compromising quality.

MODI'S employs their in-house R&D to continually reinvent themselves to aim towards the optimal combination of materials and the optimal product design, thereby staying updated on the latest technology in the industry. We aim to produce sturdy, long-lasting and environment-friendly products.

# MODI'S CnC (Casing 'n' Capping)

MODI'S are the founders of casing and capping as we know it today. MODI'S was given a patent in 1984 for its unique casing and capping design and functionality. It is an ideal conceal-cum-open wiring method. It allows you to open, add new wires, identify, and repair short-circuit points, and close it. It is smooth, sleek, elegant, long lasting, durable, and holds up the wires safely. All our casing 'n' capping are made using virgin PVC and are ISI certified under IS 14927 Part II.

## MODI'S Casing 'n' Capping is unique.

- ▶ MODI'S CnC are ISI certified under IS 14927 Part II.
- ▶ MODI'S CnC has a superior single-locking feature with a grooved edge-lining; in case of any fault, it is easy to open, repair, and close it whenever required.
- ▶ MODI'S CnC are smooth, sleek, elegant, long lasting, and durable.
- ▶ MODI'S CnC help in faster installation without hurting the electricians.
- ▶ MODI'S CnC are approved in PWD and all major projects.
- ▶ Want to install an electrical point at the last minute? MODI'S CnC is your go-to option.
- ▶ MODI'S CnC has a reinforced locking mechanism, which comes in handy when you add an extra wire.

PAT NO. 161536-84

IS 14927  
Part II

# MODI'S Flex (Corrugated Flexible Pipes)

## MODI'S Flex Corrugated Flexible Pipes are unique.

- ▶ MODI'S Flex are available only in ivory shade because they are made from virgin PP material and are carbon-free.
- ▶ MODI'S Flex can be used in your homes, offices, and automobiles to hide all your messy wires.
- ▶ MODI'S Flex can also be used for AC ducts.
- ▶ MODI'S Flex is highly flexible, has anti-distortion, good bending performance, and can withstand heavy loads.
- ▶ MODI'S Flex can be used in the manufacture of panel board wiring, electrical insulation, automobile manufacturing, lighting equipment, automation, and other industries.
- ▶ MODI'S Flex pipes do not break easily and stretch well.
- ▶ MODI'S Flex are available in 6 sizes.

# MODI'S Tapes

## MODI'S Tapes are unique.

- ▶ MODI'S Tapes are ISI certified under IS 7809.
- ▶ MODI'S Tapes have an excellent grip due to superior quality adhesive.
- ▶ MODI'S Tapes are highly elastic. They stretch well and unwind easily.
- ▶ MODI'S Tapes have been tried and tested to successfully withstand up to 40 KV.
- ▶ MODI'S Tapes are antistatic.
- ▶ MODI'S Tapes are available in 5 colours: Black, Blue, Yellow, Red, and Green.

## MODI'S CP (Conduit Pipes)

MODI'S, today, is a well-known brand for its quality conduit pipes. It is an ideal product for concealed and surface wiring by major construction companies to build mega projects, high-rise buildings, PWD projects, homes, offices and other industrial and commercial units. MODI'S Conduit Pipes are FRLS pipes, made of virgin UPVC. They have an excellent quality and a smooth finish. MODI'S Conduit Pipes are ISI certified under IS 9537 Part III.

### **MODI'S Conduit Pipes are unique.**

- ▶ MODI'S CP are ISI certified under IS 9537 Part III.
- ▶ MODI'S CP are strong and spring-bendable.
- ▶ MODI'S CP are available only in ivory shade as we do not use carbon.
- ▶ MODI'S CP are available in 20 mm, 25 mm, 32 mm, 40mm, 50 mm and 63 mm.
- ▶ MODI'S CP are available in light, medium, and heavy mechanical stress variants.
- ▶ MODI'S CP are approved in PWD and all major projects.

# MODI'S Trunkings

## MODI'S Trunkings are unique.

- ▶ MODI'S Trunkings have superior locking facility.
- ▶ MODI'S Trunkings offer excellent cable protection.
- ▶ MODI'S Trunkings have low fire risk and are self-extinguishing.
- ▶ MODI'S Trunkings are available in: 50mm x 50mm, 75mm x 50mm, 75mm x 75mm, 100mm x 50mm.

## MODI'S Fit (Casing Accessories)

## MODI'S Fit is designed to match to MODI'S unique products.

- ▶ MODI'S Fit are made only from virgin materials.
- ▶ MODI'S Fit adhere to stringent quality checks.
- ▶ MODI'S Fit are available in a wide range.
- ▶ MODI'S Fit are a perfect match for MODI'S CnC and MODI'S CP.
